A Palestinian man has been sentenced to death by hanging by a military court in [Gaza](#) for collaborating with Israel.

The man, who has been imprisoned since Aug. 11, 2011, was sentenced Sunday, the Palestinian news agency Ma'an reported.

Gaza's [Hamas](#) government announced a crackdown on the collaboration with Israel earlier in March, alleging Israel's security services often use information from Palestinian informants to make arrests and assassinate political figures and militants, Ma'an said.

Since 2007, 30 people have been sentenced to death for collaborating with Israel, the news agency said.
